47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want reasonable price without any hiding, and do not want my internet bill increasing every year if I don't have the competitive provider.

I have been using the fiber service since 2017 at my house. All my family are happy that we can have fiber service, it's fast and it's reliable that we can't live without it, especially for work, study and entertainment at home.
